# CITY MANAGER GETS 'FIRING' EDICT... 90 DAYS!

## The Builder May Pay For The Delay

MORE THAN 500 youngsters remain on double sessions today because Vista Mar Elementary School in Westlake is running three months behind schedule. Trustees, supposed to get the school in mid-February, plan to enforce penalty action against the contractor, Hart & Hynding. The builder estimated he could complete the job in less than a year. It has taken 15 months to date.

## J.U.H.S. BOARD TO FIRM STATE AID 'PACKAGE'

High school trustees Monday night in special session will discuss the district's application for state aid, timetable for opening two new Coastside plans, and fix final student assignment for district schools—all items wrapped up in one "package."

Supt. Edward Morgan and staff plan to have all data for final board action. Main item of interest is the timetable for the planned schools in Sharp Park and Linda Mar.

## COUNCIL NAMES NEW MEMBERS TO COMMITTEES

Committee appointments to fill vacancies of two defeated incumbents were made by the new city council Monday night.

Councilmen Robert St. Clair and Francis Pacelli were named to the finance committee, Edward J. Dennis and Joseph Verducci were picked for the transportation committee, and St. Clair and Verducci were selected for the freeway committee.

Mayor Michael DeBernardi and Dennis are new members of the sanitation district board, and Dennis will represent the council on the north county labor relations board.

## At Jefferson High 'CANDIDATES' NIGHT' SET MAY 12 FOR SCHOOL TRUSTEE HOPEFULS

The two women and 10 men running for trustee jobs May 20 in Jefferson elementary and Jefferson high school districts have been invited to present their views to the public on Monday night, May 12, in the Little Theater of Jefferson.

## League Of Women Here Will Discuss Balloting Issues

Monthly meeting of the Daly City unit of League of Women Voters will be held on Wednesday, May 7, at 159 Wilshire avenue, starting at 8 p.m. The program will feature discussion of state ballot measures and the structure of Daly City government. All women interested in being informed on the main issues are invited to attend.

The League of Women Voters hold monthly unit meetings to study and discuss issues on local, state and national level. The issues studied are determined annually by League members. The League does not take a stand on an item for study until the study is completed.

## CONDEMNATION FOR SCHOOLS?

## JESD Wants Zita Sites

Trustees last week gave McKee Construction Company (Zita Corporation) less than two weeks to negotiate the sale of three elementary school sites within their planned St. Francis Heights subdivision—"or else."

Michael Callan, chairman of land and buildings committee, recommended the move "to end long delays by the McKeeons at firming the agreement."

Asst. Supt. David Shapiro was instructed to notify the McKeeons of the board's intent to instruct district attorney to proceed with condemnation action for the M. Pauline Brown School, and also was authorized to ask the D. A. to start condemnation action on the two other subdivision school sites, Daniel Webster and Christopher Columbus—if the

McKeeons fail to negotiate within 10 days.

In other matters, the board by 3-1 vote angrily okayed a change order for courtyard work at Vista Mar school, specifying that the work could not be tagged on to the cost of construction and stating that contractor Hart & Hynding—three months behind schedule—would be slapped with penalty action.

Mrs. Katherine Mullen refused to approve the courtyard work.

Architect Mario Ciampi, saying the contractor was "angry and recalcitrant" because of the board's displeasure with the delay said the school should be ready by the end of May.

Trustees moved to advertise bids for equipping a music

room at Benjamin Franklin, and learned from Supt. Henry Weibel that seven classroom additions there should be ready in two weeks.

Ciampi was authorized to proceed with preliminary plans for Abe Lincoln and Thomas Edison schools, located south of Westmoor High east of Skyline. (Continued on Page 2)

## WESTLAKER TO JURY IN MOLEST CASE

May 22 is the date for the jury trial in the case charging Oscar Furtado, 51-year-old plant superintendent who lives in Westlake, with molesting two neighborhood girls, ages 6 and 8.

On recommendation of the district attorney, the first charge, crimes against children, a felony, was dismissed. Last week Furtado was re-arrested, this time on misdemeanor counts of vagrancy (involving children) and indecent exposure.

Furtado, out on \$2000 bail, on second arraignment again entered a "not guilty" plea.

Parents of the two alleged victims said the incident occurred in Furtado's garage, 40 Pinehaven drive, one Sunday in March.

## BOCCI EXPLAINS HIS 'POSITION' IN DUES TRIAL

District attorney candidate Thomas Bocci Jr. today said he wished "it were clearly established" that he was not the municipal jurist who handled the Oppermann family "dues" case against Westlake Improvement Association more than two years ago.

Judge Joseph Branson presided at the lower court trial, said Bocci. The Branson verdict recently was reversed by the Appellate Court in Redwood City, thus favoring the association.

Bocci said a newspaper article "inferred" he made the lower court ruling. The publication did not name the judge in the story, referring to the action as a "lower court verdict."

## 'DISTURBER' IS PENALIZED IN MUNI COURT

Unemployed George Brame, 54, of 227 Los Banos, last week was sentenced by Judge Tom Bocci to \$150 fine or 30 days in jail for disturbing the peace and police here April 10.

Sgt. Henry Sundermann and Officer James Bergstrom booked Brame at 4:10 p.m. after his wife, Metba, called and said he had threatened her, their week-old baby, and said he would burn down the home.

Police said Brame was drinking from a wine bottle when they arrived and cursed them for the intrusion, they reported.

## '58-'59 BUDGET STUDY SESSION SET NEXT WEEK

City councilmen and department heads will convene on Thursday evening, May 8, starting at 8 o'clock, to discuss the preliminary budget for fiscal year '58-'59.

City Manager Howard Stites Monday night said the budget is ready for council consideration but requests of the individual department heads had yet to be finalized.

Exclusive of capital outlay needs, Stites announced the first-draft budget as balanced to total \$1,241,984, with revenue anticipated at \$901,450—keeping the tax levy at 99 cents, same as this fiscal year.

By this July 1, he figures sales tax revenue will bring in \$31,334, reducing the general tax to 89 cents, and by the end of the year, he stated, some \$137,325 from sales tax will have been collected, reducing the tax to about 59 cents and the overall rate to \$1.08.

Mayor Michael DeBernardi said Stites' budget announcement "does not present a true picture, because the capital (Continued on Page 2)

## 'INJURY CASE' WOMAN DRIVER DUE IN COURT

Hearing in the injury-reckless-driving case against Eleanor Campbell, Millbrae woman arrested here after a two-car crash on Mission street March 24, has been set for June 10 in municipal court.

She pled "not guilty" last week before Judge Thomas Bocci Jr.

Officer George Brooks said her vehicle struck one driven by Caesar Parodi, 1751 Mission, seriously injuring him and his passenger, Anita Sanes, 1050 Hanover street. Both required hospitalization.

Mrs. Campbell said she did not see Parodi make a left-turn hand signal. Impact of the crash sent the Parodi car into a steel light pole.

Brooks said Mrs. Campbell admitted having a few drinks in a local tavern hours before the accident. Bar patrons confirmed that she had left following an argument with her husband, Brooks reported.

## DISMISSAL IS PROTESTED

## 3-2 Vote Ends Stites' Duty

### Freeway Committee

City Freeway Committee will meet Tuesday night, May 6, at City Hall, starting at 8 p.m. to discuss the Hahn-Wise-Barber recommendations against State-proposed routes here. Councilman Francis Pacelli will preside.

## Councilmen OK 2 'Yield' Signs For Westlake

Accepting Police Chief Roland Petroschi's recommendation, city councilmen Monday night approved installation of yield-right-of-way signs at the Sheffield and Eastgate intersections with North Mayfair.

Action came on request of Westlake Improvement Association, which had preferred arterial stop signs. Councilman Edward Dennis agreed with WIA, but went along with the majority for unanimous vote on yield signs.

In other main business Monday, the council:

1. Approved resolution of rezoning to C-1 on portions of Zanone and Schenone lands, setting May 26 for public hearing.

2. Passed resolution for abandonment of old county road (Colma to Edgemar), requested by Doelger. Set public hearing for May 26.

3. Adopted resolution of agreement for old Edgemar road improvements.

4. Held over for further study protest of residents on Fairway drive against residence (Continued on Page 2)

## COPS CAPTURE MENTAL HOSPITAL ESCAPEE HERE

Daly City police just past midnight Sunday captured a 39-year-old mental hospital escapee outside the Westlake home of his stepson.

Found hiding behind homes on Palisades drive was Ivan Husman, who admitted he left Napa State Hospital the day before "without permission."

William Cohn, 214 Palisades, had notified police that his step-father had arrived.

Sparkling the fuse to all-out warfare, the city council by 3-2 vote Monday night overrode heavy audience opposition and ordered the resignation of City Manager Howard Stites.

An aisle-jamming throng of 275 citizens—many backing Stites at the podium—heard the council "majority" give the city's chief administrator 90 days before the "firing" vote officially will be made.

On the job since 1955, Stites by Monday's contested edict, has until the end of July. Supported from the floor, an action encouraged by ex-Mayor Joseph Verducci, Stites did not make a statement during the hot 90-minute exchange between Mayor Michael DeBernardi, Councilmen Edward J. Dennis, Robert B. St. Clair, and Stites' council backers, Verducci and Francis Pacelli.

Motion By St. Clair

St. Clair, elected April 8 with Dennis—which reversed the pro-Stites council majority, made the motion to "declare the office of city manager vacant, as I believe this is the mandate of the people and I must nail down the main issue of my platform." Dennis loudly seconded the action.

DeBernardi, voicing consent, said, "There will be no discussion now, but the matter will come to a vote in 90 days."

But Verducci, spurred by the audience, demanded discussion and answers to legitimate questions in keeping with the democratic process of government.

The enraged ex-mayor asked the new majority councilmen by what authority they asked Stites to resign.

"Isn't it true you (DeBernardi) and St. Clair went to Stites' office and asked for his resignation. And is it your intention not to let us minority councilmen consider the issue?"

DeBernardi Explains

"Yes we did ask Mr. Stites to resign," answered the mayor, "believing that this course of action is fully justified on facts and also hoping that if the resignation was made 'quietly' all parties would be better off."

But Verducci, who minutes later began a 35-minute review of Stites' "achievements and economy-management of the city," was not satisfied.

Said he, "When the council assumes what is right for the community on its own—just 5 men—we are treading on dangerous ground."

"This matter should have been discussed before a full council in public meeting," he continued.

Verducci then challenged the mayor, Dennis and St. Clair to explain why they took the move, and "what, if any, system do you propose for picking a new manager?"

Challenges 'Record'

He tagged onto these queries the charge, "Your record is not good. Two of you (DeBernardi and Dennis) helped to hire Stites, now you and the new councilman want to fire him. Perhaps you'll make a mistake on the next city manager, too."

Pacelli then repeated Verducci's allegation that Dennis and St. Clair had no authority to meet on the Stites' matter in advance without the full council. "You two weren't even sworn-in as councilmen," he stated.

St. Clair snapped back, "Our intentions were clear, as stated in our platforms. The outcome was self-evident against the manager."

## COUNCIL NIXES \$30,000 TO BUY PARKING STRIP

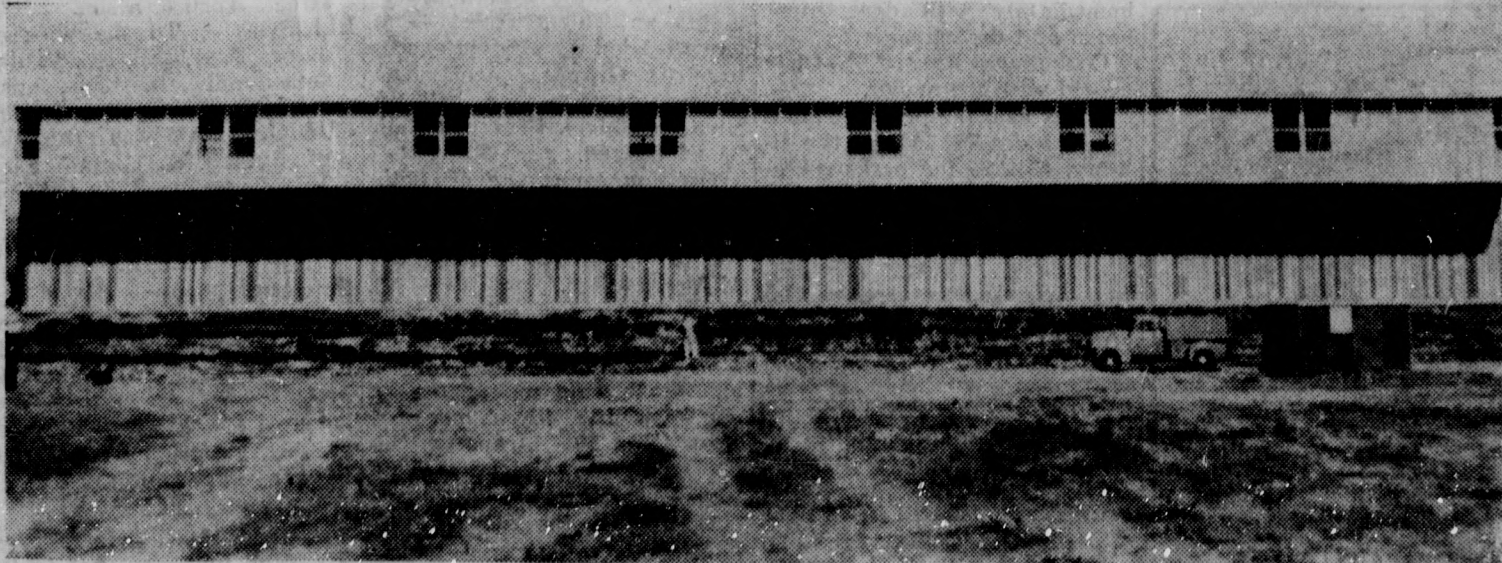

Unable to see the financial feasibility of paying Southern Pacific company \$30,000 for the parking strip adjacent to Marchbanks Park, the city council Monday decided to meet with the recreation commission for working out an "access" agreement with the railroad.

Southern Pacific has another party interested in using the land for commercial operations, one which is willing to pay the cash now.

Rec commissioners had suggested a lease of the land, but the high cost precluded council follow-through.

The city had planned to pave the parking strip and possibly extend the park.

## Seven More Classrooms Open This Month

SEVEN NEW classrooms, built at a cost of about \$165,000 by Mid-State Construction company, are scheduled to open at Benjamin Franklin school

within the next two weeks. The additional building is west of the present school plant. Also to be added to the intermediate (7th and 8th grades)

school will be a music room, made possible by recent purchase of four homes on Stewart avenue. Principal Fred Schweickhardt supervises the

education of 893 youngsters at Ben Franklin kindergarten through eighth grades.

## B'moor Church Members Assist Graham Crusade

The congregation of Broadmoor Presbyterian Church announces its full participation in the Bay Cities' Evangelistic Crusade of six weeks at the Cow Palace, as led by Billy Graham and his staff.

This participation is encouraged because of the international success of Graham in establishing the admiration and good-will of churchmen in such united Christian campaigns, a Broadmoor spokesman said. Also, the purpose of these special and spectacular mass meetings is to secure Christian commitment, which is then channeled into local church congregations for nurture and fellowship. To this end, the local congregation has 18 adults in training as counselors, another 18 preparing to be ushers and choir members, 16 who are prayer leaders at 10 a.m. Tuesday through Friday neighborhood groups, and is securing the commitment of others to take part in "Operation Andrew" which is to regularly bring others with them to the meetings at the Cow Palace.

The local church has reserved 100 seats for Sunday afternoons and 7:30 p.m. Wednesdays for which tickets will be issued a week in advance to anyone interested, whether of this church or not.

Paul Elliott, Mrs. Rex Spruiell, Sam Clemens and Mrs. James Fairbanks are the local church committee members, with Rev. Herbert Tweedie the pastor. It is emphasized that all seats at the Cow Palace are free of charge and that tickets relating to reserved sections are only good until fifteen minutes before the starting times. However, it is pointed out that it is highly advantageous to arrive at meetings as early as possible in order to be assured of a seat in the 16,000 capacity auditorium.

## DC Insurance Man Goes To Seminar

He will be one of 28 company representatives from throughout the United States in attendance at the meeting devoted to developing the sale of life insurance through independent multiple line agents and brokers.

The \$4800 beginning salary would be for first year teachers, ones with A.B. degrees plus 30 units (general secondary credentials). Maximum step is for faculty members with A.B. degrees plus 60 units.

The board carefully discussed Martin's report in a question-answer period. Trustee Donald Miller then commended the committee for "an excellent and well-founded presentation."

Morgan said the administration was in accord with the salary request and that funds were available for the approval.

## Trustees Rule Out Hearing On Weibel

(Continued from Page 1)  
his interpretation of such an evaluation committee.

Two members of the Citizens Committee for Better Schools, Mrs. J. D. White and Mrs. Nedla Nocita, confirmed that Torrey merely "gave an opinion on what such a committee would involve."

For all purposes, Wednesday's board stand-repeating last month's announcement, means Weibel will not be given new consideration. Under the one-year contract extension granted him, his duties as superintendent expire in June next year.

Weibel, stating that "he didn't have a chance against the board, and you have jeopardized my professional career," said he had actively tried to seek new employment as per agreement with trustees.

Both Appleton and Callan challenged the superintendent's "conduct and part" during the protest, claiming that he helped to stir up a campaign in his behalf.

Weibel publicly denies he wanted to bring "adverse publicity to the district" and the allegations that he encouraged his staff and friends to fight for him.

Appleton and Callan cited the superintendent's "refusal" to give the board in writing last year his interpretation of district policy and his evaluation of the district principals.

Weibel claims that both these matters represented a misunderstanding, and contends he has fulfilled the requests of the board.

One crux point in the conflicting statements is the matter of a letter, written by Weibel to the board late in January, in which he expressed willingness to accept the board's dismissal decision and would "submit my letter of resignation for personal reasons."

Weibel denies he made public the board's December edict the next day (after the letter was written), although trustees charge the superintendent applied pressure to the faculty and encouraged his friends to battle trustees.

Weibel told this newspaper that he regrets the controversy and "its effects on the district," but he maintains the board "has been gullible—though capable—and there's much room for improvement."

Outcome of the May 20 trustee election possibly could influence Weibel's status, however. Seven candidates, a few of them Weibel supporters, are in the race along with incumbents Appleton and Wimberly.

Mrs. Wimberly ended last week's hot exchange with the superintendent by asking him point-blank:

"In view of the circumstances now, do you think this board and you can work in harmony?"

Weibel's answer was "no."

## '58-'59 BUDGET STUDY SESSION SET NEXT WEEK

(Continued from Page 1)  
outlay items are not listed.

"This \$1.08 tax rate is not right," the mayor added. "We have had no chance to examine the facts."

Ex-mayor Joseph Verducci rejected Councilman Edward Dennis' motion that method of presenting the budget to the council was "routine." Said Verducci, "We must instruct the manager just how to submit the budget to us, to prevent a repeat of the delays and laborious budget sessions of last year."

Stites said the budget includes three categories: recommendations of department heads, city manager, and space for the council's decisions on departments.

Verducci cited the need for expert advice (Stites and department heads) "before we weigh the budget as a council. We need realistic figures."

"I disagree," answered DeBernardi. "I don't care what the experts do. The budget as presented does not appear to be too much out of line. Therefore, I think we should meet immediately with department heads and the manager."

Councilman Robert St. Clair agreed with the mayor.

Stites said the proposed budget includes \$63,364 for the library, \$72,237 for parks-recreation, \$57,485 for retirement, and \$50,150 for bond interest and redemption.

## Council Gives Stites 90 Days Before 'Firing'

(Continued from Page 1)  
The 49er captain then got a "yes" reply from Verducci

when he asked the latter if he hadn't called the meeting on Stites. Verducci qualified, however, that all that was discussed was the position of mayor, "and I went along for DeBernardi."

Barraged with questions from Verducci, Pacelli and the audience, DeBernardi pinpointed "the reasons" for the firing action.

## 'Not Secretive'

"We have not been secretive about this matter. Our reasons are well defined and have been fully publicized. City administration the past two years has not been effective. The records bear this out in the city clerk's office."

Dennis backed the mayor with, "This government is not working right. We must keep our word with the electorate to make the changes ordered at the polls. City employees do not respect their boss and there's been too much waste of public money."

Verducci rebutted: "Your reasons are not specific enough. Since Stites took over we have made progress, correcting the blunders of previous administrations. And we don't care about the manager's popularity with employees. He's hired to do an efficient job, and we have seen him do this."

Citizens speaking for Stites and harassing the council majority to explain their "motives," were:

**Cohn Resigns**  
Robert H. Cohn, for three years chairman of the city parks and recreation commission, who submitted his accepted resignation "because I now find myself in complete variance with the administration, an administration obviously embarking on a road of radical change." He added that his resignation and "certain are still to come would cause this body to pause and re-evaluate the entire administrative procedure."

Others of the 11 pro-Stites speakers (of 12 citizens who addressed the council) included the Rev. Fred Fanthorpe, Harry Bosberry, chairman of the city personnel board; former Councilman Del Wilson, and Mrs. Grace Woods, chairman of the library commission. Each praised the city manager for his "budget-saving" record and wanted "more definition and cause" for the firing step.

Julius Castelan, former city engineer, was the lone speaker against Stites.

**Two Of Seven**  
Verducci concluded his remarks with the statement: "I have worked with seven councilmen who have watched Mr. Stites work for the city. Only two of these men favor his dismissal."

"Many want to be heard on this matter. And if the firing is the 'mandate of the people,' let's bring it out in the open and present all the facts," Verducci declared.

St. Clair, target of many questions, said, "Personalities should be kept out of this decision." He was replying to a caustic remark directed to him by Wilson.

"I do not have full knowledge of parliamentary procedure," admitted St. Clair. "But I have tried to evaluate the facts and I will continue to do so to the best of my capability."

**J.E.S.D. Wants Zita Sites ... Right Now**  
(Continued from Page 1)  
Callan, after the board passed the final agreement with the city for joint-use of Westlake park, commended the "precedent-setting" move, claiming it saved the district "about \$200,000."

The basin school will use the portions of the park for playground area on a share-the-cost basis.

Trustees also instructed Shapiro to consult the city engineer for cost estimates of sharing storm drain and improvements on Thiers street — a move needed for student access to Vista Grande school. The district already has built a curb on Thiers. Bids will soon be advertised.

Decisions on the district's sabbatical and maternity leave policies were tabled for further study, on recommendation of Mrs. Mullen.

**Death Rate**  
California had a vehicle mileage death rate of six deaths per hundred million miles of travel in 1957, reports the National Automobile Club. This represented a considerable decrease from the 6.6 rate of 1953.

## PARENTS ENJOY OLYMPIA, V-MAR 'OPEN HOUSE'

Activities typifying the units of work in social studies, the 3 R's, experiences in the fine arts and a feeling of esprit de corps between community and school was evidenced as Olympia school held open house last week.

The corridor to the building displayed group pictures of the student body. The background of spring flowers in three dimensional detail was constructed by second and fourth grade classes.

Theme for the school, "We teach the three R's," was evident in every room. Approximately 600 parents and friends signed teachers' registers at the evening display. The school houses 507 students on double session, 239 of which are Vista Mar enrollees.

A display of audio-visual equipment used by teachers to motivate learning activities proved a center of interest for parents, whose comment was that experiences children are encountering at Olympia school is a far cry from when we went to school. In contrast to the modern structure, a little red school house greeted visitors for the week as they came to observe the classes in action and enjoy the display of students' work.

**BRISBANE PLAY PACKS 'EM IN; 'OUTSTANDING'**  
Two-night run of "Curse Of An Aching Heart," enacted by the Brisbane Players, packed Natalie Lipman school and brought \$850 for the rec department's baseball team.

Director Frank King was lauded for an "outstanding job," and he said his cast plans to start rehearsals for a second production later this month.

Money raised last weekend will allow Brisbane to purchase uniforms for its intermediate baseball team.

**Leading Causes Of Fatalities Told By C.H.P.**  
Defective brakes, bad tires, and improper lights led the list of motor vehicle defects noted in injury and fatal traffic accidents in California last year, according to a report released by the California Highway Patrol.

"Defective brakes accounted for 48.1 per cent of all mechanical defects found in fatal and injury accidents during 1957," declared Patrol Commissioner B. R. Caldwell. "This reveals an evident lack of proper care of brakes by some motorists."

"Smooth tires, punctures, and blowouts totaled 18.6 per cent of all such defects indicating care of tires is essential to motoring safety," Caldwell stated. "Improper lights added up to 12.2 per cent of the defects noted in injury and fatal accidents during the past year."

"Other reported deficiencies were worn steering mechanisms, inadequate windshield wipers, rear view mirrors in poor condition, and cracked or damaged windshields and windows," he continued. "All inadequacies should be corrected as soon as possible, and the car rechecked from time to time to insure continued good mechanical condition so essential to safety in traffic."

**AWARDS** — KQED was the recent recipient of the 1957 Public Interest Award from the National Safety Council for exceptional service to safety. The two programs cited were "Safety On the Job" presented last summer, and "Home Handyman" (Thurs. 7:30 p.m.).

NBC's "Shirley Temple's Storybook" series was presented a certificate of merit by the American Federation of Women's Clubs for its "delightfully artistic, fanciful portrayal of fairy tales."

**Westlaker Heads Demo Fund-Raising Event Entertainment**  
Angelo Sforza of Westlake will entertain San Mateo County Democrats and their friends Saturday night at a \$1 admission fund-raising affair at the Chukker, El Camino Real and 20th avenue, San Mateo.

Sforza has put together an outstanding jazz combo for the party, which will start at 9 p.m. The sponsoring United Democratic fund hills it as a "Bohemian Night."

Dick Blum of Woodside, chairman of the UDF, heads the arrangements committee.

## TV and Radio

By Mona Baker

**PERSONALITY SKETCH**—With such questions as "Why do you wear that kind of shirt?"... "Where did you get your gun?"... six excited Boy Scouts surrounded James Garner, star of ABC-TV's "Maverick" (KGO-TV, Sundays, 7:30 p.m.) at a luncheon last week. Graciously, the star, handsome in his "Maverick" costume, answered the eager boys' questions and passed around his gun for them to examine. In town last week as guest of honor at the 1958 Scout-O-Rama of the San Francisco Boy Scout Council, the star was honored at a luncheon for the press at the Mark Hopkins. As the last young scout, smartly wearing his scout uniform, asked a question, he presented Mr. Garner with a gift from the San Francisco Scouts, which he proudly related was a "real rag."

Star of one of the most popular western series on television, James Garner is well cast in the role of Bret Maverick. Tall and broadshouldered, he has dark curly hair and a flashing smile, and is one of the most talented young actors in Hollywood.

**TV BOOK REVIEWS** — If you are interested in learning about the latest in books we suggest you dial KTVU for "What's New In Books" Sunday, 10 p.m., with Lewis Langford and Fran Pillsbury.

We particularly liked the camera technique which showed closeups of the pages of the book as the reviewers discussed them.

**FOREIGN FILMS ON OMNIBUS** — Two highly acclaimed foreign films made their television premiere last week on "Omnibus" (NBC, KRON-TV, 4 p.m. Sunday). "Nine Lives" currently a leading contender at the Cannes Film Festival, told the story of Jan Baalsrud, a member of the Norwegian resistance during World War II, and "Reindeer Men," which described the life of the Laplanders in northern Norway. Both were dramatic and exciting television. "Omnibus," one of the finest productions on television, consistently brings to the TV screens program with a fresh and unusual approach.

## NOT PROMISES... BUT ACTION!

Three Daly City councilmen who won majority backing at the polls Monday night took the first move to make their platform policies more than mere words.

Despite opposition from the faction backing the city manager, the new council majority stuck to their guns for immediate action.

Three months from now the council will ask for the manager's resignation by official vote. Monday's apparently "stacked" chamber for the chief executive and his two council backers, indicates that a name-calling political battle faces the three "majority" councilmen.

The decision of the two "out-voted" councilmen to wage a heated and personal campaign against the three successful candidates bodes badly for needed harmony in city government.

The April 8 election clearly expressed "majority" confidence in the policies of Mayor Michael DeBernardi, Edward J. Dennis and Robert St. Clair. This trio is steering a course to carry out this mandate.

By winning the backing of the electorate with firm facts and opinions against the city manager administration, sales tax, and discontent in the ranks, the new councilmen will not detour from pronounced intentions.

We are confident their determination will speed the restoration of sensible government in Daly City—with a minimum of delay and with maximum wisdom.

## Letters To The Editor

### County Parks-Rec Director Praises Special Coverage

Dear Mr. Bradshaw:

During the year of 1957 the San Mateo County Parks and Recreation Commission asked newspapers of this county to publish an article regarding legality of donating lands for public recreational purposes to the County of San Mateo and urging people to do so. The newspapers very generously wrote the article. We wish to express the appreciation of this Commission to you as it has brought some definite results.

Mr. and Mrs. Arthur Blomquist, long-time residents and from families of early settlers in San Mateo County, have donated two parcels of land adjoining Memorial Park for recreational use. This land provides the County with a development access for Memorial Park adjacent to the Wurr Road.

Very truly yours,  
Ralph H. Shaw,  
Superintendent Parks and Recreation  
San Mateo County

### WARREN BROWN ASSISTS FAHEY FOR MUNI JUDGE

Warren "Happy" Brown of 756 Stewart Street, Broadmoor, has been appointed campaign director in the Broadmoor-Colma area for the Fahey-for-Judge campaign, election June 3, it was announced today by Thomas B. Gallen, campaign manager.

Brown, active in civic and social affairs in Broadmoor, plans to hold a series of coffee clutches during the coming weeks, he said.

Judge candidate John J. Fahey's general campaign headquarters, is, at 6566, Mission street, Daly City.

In 1957, there were over 370 persons killed while crossing at an intersection with signal. Remember, cross cautiously.

### PAUL GREEN, 42, FORMER MAYOR, SEEKS DUTY AS COUNTY ASSESSOR

Paul Green, 42-year-old resident of Daly City for 38 years, former mayor, and councilman from 1946-54, is out to win the job of San Mateo County Assessor in the June 3 primary election.

A licensed real estate broker and appraiser, the father of five children (family reside at 368 Northgate in Westlake) is pledged to "remove the existing inequality and establish a uniform system of assessment of property in San Mateo County."

Green charges that the present county assessor, an appointee to the post last month, "is not a qualified appraiser, and it is only reasonable to suspect that he might be more loyal to a political clique—being an appointee—than to the taxpayer."

Moving to Daly City from San Francisco at the age of 15, and turning 42 today.

## 35 JEFF HIGH STUDENTS TAKE 'MERIT' TEST

More than 35 students at Jefferson High school have taken the national merit scholarship qualifying test, John Mongan, principal, announced today. The test was administered at the high school Tuesday.

An estimated \$5 million in merit scholarships and other awards are at stake in the national competition, now beginning its fourth year. Some \$12 millions in merit scholarships have been awarded in the first three years of the program.

Bruce Freeland was last year's "Merit Scholar" chosen from Jefferson.

Merit scholarships are provided by some 80 corporations, foundations, professional societies and individuals, as well as by the national merit scholarship corporation itself, which conducts the competition.

The national merit scholarship qualifying test is a three hour measure of educational growth and aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

A group of 10,000 students—composed of the highest scorers in each state—will advance to the semi-finals where the results are reported to all participating schools next fall. Semi-finalists will then take a second examination. Those who repeat their high performance on the second examination will become finalists in the program and will indicate their choice of college and course of study. Further evaluation of their grades, citizenship, and extracurricular achievements will follow, and the winners will be announced in the Spring of 1959.

The test results will be available at the beginning of the senior year, in time for use by seniors and their class advisors. The scores may also be used in many high schools to help students make decisions about college and the most appropriate courses to major in. Many students throughout the country who do not expect to win have registered for the test, in order to learn more about their individual strengths and weaknesses.

### WAR MEMORIAL SPECTACLE

## Girl 'Scouts-In-Action' Draws Throng Of 2000

By Servart Ojakian

A tremendously successful all-girl show, "Scouts-In-Action," was performed last Saturday afternoon by the Girl Scouts of the Daly City-Colma-Bayshore area, here at War Memorial building.

The five neighborhoods represented were composed of: Bayshore, Broadmoor, Parkview-Sterling Park, Peoria, and Westlake.

Approximately 2000 adults and children, swarmed into the building throughout the afternoon, taking in various and clever displays and exhibits, as well as the intermittent stage show expertly handled by three Senior Marines: Scout-Master of Ceremonies Janet Flint, and Song Leaders Loretta Durham and Dolores Spinetti.

The program opened with a colorful flag ceremony, conducted by smartly uniformed Girl Scouts at different levels. The girls in the opening ceremony were: Sherri Peters, Carol Duke, Linda McCowan, Cathy Anderson, Mary Schwab, Maria Velasquez, Susan Rogalla, Dana Borelli, Lesley Ritchie, Carol Mooji, Linda Molesworth, Kathy Allen, Donna Bovero, Janet Wilber, Patricia Tilstrom, Barbara Camozzi, Trudy Josselyn, Jaclyn Shapiro, and Pamela Hill.

This was followed by a program composed of Girl Scout songs, folk dancing, skits—one of them being "Wedding of the Painted Doll," and a fashion show.

Mrs. H. Brown, chairman, presented bracelets as prizes to the first place poster contest winners—Angela Graudo, Christina Christiano, and Ann Mori.

Among highlights in the exhibits were: The Mounted Patrol's saddled horse with a sign under it "saddle testing for tots, free," the Girl Scouts' trailer, KimTah (tag-along) fully equipped with camping paraphernalia, parked at the entrance of the building; the dragon puppet show; the scrapbook service project for the Children's Hospital; the display of the 11 fields of Scouting; the dolls dressed in fluffy ballet dresses and foreign costumes; the Marine's display of the nautical side of Scouting; and the Swiss Chalet scene, the Girl Scout center in the Swiss Alps.

The girls in the closing flag ceremony were: Barbara Goladay, Ann Mori, Pam Button,

## Tax Spokesman Says Salaries Should Stay Put

Local governing boards in San Mateo county should follow the leadership of the state legislature in holding salary structures for 1958-59 at their 1957-58 levels. S. J. Arnold, general manager, California Taxpayers' association, declared today.

Salaries and wages for the county government alone are budgeted at \$8,215,145 for this year—41 per cent of the \$19,896,220 budget of the county for 1957-58, Arnold said. This budget total, he said, excludes reserves, roads, and debt service.

The county is only one of the local governments in the county, Arnold emphasized.

Salaries and wages are also big pieces of the budgets of the school districts, the cities, and the other local governments in the county.

Widespread increases in salary levels could add materially to the property tax bill which reached \$48,465,600 for all the local governments—county, cities, schools, special districts—in the county for 1957-58, he stated.

Decisions on salaries for local government employees are being made at the present time.

"The wise decision of the state legislature in making no increase in the salary structure for state employees for this coming year should be followed by city councils, county supervisors, and school boards throughout California," Arnold declared.

### CADET Paul Malcewicz of Colma recently chatted with Congressman J. Arthur Younger during the latter's annual visit to the U. S. Naval Academy at Annapolis. Son of Mr. and Mrs. Frank Malcewicz, 26 Garden Lane, Paul will graduate this June.

RECENT rains have added to erosion woes at this house on Bradley drive, overlooking under-construction Vista Mar Elementary school. The school district purchased the home, thus eliminating a possible court squabble with the owner and speeding landscaping of the school yard.

## SCHOOLS LIST SPRING CONCERT SCHEDULE HERE

Culminating a school year of music study and participation in band, orchestra, glee clubs, and choral groups, evening concerts will be given in the following schools here. Supt. H. Z. Weibel announced today.

Jefferson, May 6, 7:30 p.m.; Colma Upper, Colma K-6, May 8, 8 p.m.; Garden Village, May 13, 7:30 p.m.; Westlake, May 15, 7:30 p.m.; Crocker, May 20, 7:30 p.m.; and Benjamin Franklin, May 22, 7:30 p.m.

The concerts will offer various phases of the school music program, including instrumental groups under the direction of Richard Snyder and Harold Hastings; choral groups under the direction of Mrs. Patricia Hackett and Byron Ogden, and directed rhythms under the leadership of Mrs. C. Virginia Schneider and Miss Sheila Striker.

The public is invited and encouraged to attend the concerts, Weibel said.

Dee Van Nest, city recreation director, said the spectacle was a huge success from the way it was planned and carried out, and from the large attendance.

He also complimented the Girl Scouts upon "the meticulous condition in which they left the building."

## SUMMER'S COMING KIP Workshop Needs Many More Volunteers

With summer coming, Daly City's adult supervisors in "KIP Workshop" need volunteers aplenty to help in their many-faceted programs for local youngsters.

If you'd like to help, call Mrs. Kay Irvine, KIP director, DE 3-6165, or PL 5-0133 and JU 5-4301.

Plans now include organization of an adult drama group for theatricals. Word also is out for college students to help supervise the summer rec program.

Nomination and election of new KIP officers is set for May 13 at Community Center, 7:30 p.m.

This Saturday at 1 p.m., the junior drama group will meet at the home of Audrey Sallade, 63 Cassandra court, San Francisco.

Latest group to join KIP was Lew Vance's jazz band of SF, due May 13.

KIPsters who recently entertained missile personnel at Sharp Park were: Richard Fenn, Cathy Cubic, Gail Vaur, Cathy Sallade, Doral Wilms, Laurel Swager, the Larson brothers (Daryl and Dennis), Skippy Berta and the Blue Jacks combo.

Newcomer to the drama unit is Nick Vitale, Lincoln High sophomore.

### Bill Of Francis For Bridge Study Passed By Senate

An Assembly-approved bill by Assemblyman Louis Francis of San Mateo has passed in the State Senate providing for approximately \$175,000 for plans, surveys and estimates for an additional bridge across San Francisco Bay between the counties of San Mateo and San Francisco and the county of Alameda.

The measure has been sent to the governor for his signature and gives a "fresh start for a new study of another crossing of the San Francisco Bay which is immediate and urgent, if he signs it," according to Francis.

"This bill does not permit expenditure of any funds in the State Treasury raised by taxes. It relates solely to money which has been collected as toll revenue," said Francis.

The new legislation is an aftermath of the failure of the original controversial Southern Crossing which the California Toll Bridge Authority recently determined can be financed and built at the present toll rates in effect on the San Francisco Oakland Bay Bridge. The statutory provision for the Southern Crossing expires in July of this year.

### Horton Re-elected To 'Lumber' Post

I. E. Horton, prominent South San Francisco lumberman and owner of the South City Lumber and Supply company, was re-elected to a one-year term as treasurer of the Lumber Merchants Association of Northern California at the annual convention of the Association in Yosemite.

The Lumber Merchants Association is a trade organization of more than 350 Northern California dealers and represents retail lumber firms in industry affairs.

### Westmoor High's DORIS LINDFORS, English-Journalism teacher, is an amazing lady. Student paper she supervises, RAM-PAGES, is nifty. A former news-lady, she knows the trade. Tours she takes her students on are exceptional. Also she invites top guest newsmen to address her class. Recent one was a Finnish editor, who knows the Russians to the letter.

Might be mentioned Mrs. Lindfors is wife of the Finnish consul general in San Francisco.

And if you think Sputnik is fast, hear this: Last week the Westmoor instructor came to the aid of an elderly Finn lady who was headed back to Scandinavia and couldn't travel alone.

Doris hopped a plane Friday for Finland, got back Sunday night, was back with her classes on Monday.

Council fuss Monday night was tape recorded by ACTION, self-styled group meaning—"A Committee To Inform Our Neighbors." Seems this organization (membership unknown) wants positive proof of what's going on.

Councilmen okayed the recordings in advance. Nothing to hide.

Noticed that for a change, a couple of SF reporters were assigned the coverage. Unfortunately, being a bit removed from the Daly City scene most of the time, they only get a glimpse of the facts. From whom we are uncertain.

Diane Colthurst, Daly City college senior, has won a Fulbright Scholarship to study this summer in Europe. Quite an accomplishment. She attends SF College for Women.

We carried her story two weeks ago and got lectured by her mom on the phone for misspelling Fulbright.

A thousand pardons, for sure. Anyway, it sounded the same.

Still ailing from a throat disorder is PETE MARKOVICH, insurance man-about-town. The Docs advise the old St. Mary's Gael to slow down and live longer.

Rough task. Pete's latest projects for the chamber of commerce are the annual "Miss Daly City" contest and an "Athletes' Night" to fete top performers of Jeff and Westmoor high schools.

Pete's biggest problem (?) is turning somebody down. He's always willing to help any cause.

Reunion bliss is being enjoyed by delicatessen boss ABE SCHWARTZ of Westlake. A sister he hadn't seen in 50 years recently arrived on visa. You can bet a lot came off the grocery shelves that day.

Mr. and Mrs. Frank Malcewicz of Colma are looking forward to their "greatest" trip this summer.

In mid-June they'll report to Annapolis, Maryland, to see son PAUL graduate from the Naval Academy.

### Anthony Victorino On U.S.S. Toledo With 7th Fleet

Anthony J. Victorino, seaman son of Mrs. A. Clark of 227 Los Olivos avenue, is serving aboard the heavy cruiser USS Toledo operating with the U. S. Seventh Fleet in the Pacific.

The Toledo has been selected to represent the Navy at the Coral Sea Celebration, which will be held in Australia until May 10. The annual celebration commemorates the Battle of the Coral Sea in which the U. S. Navy stopped the Japanese threat to Australia and New Zealand in 1942.

The cruiser, on her eleventh Far East Cruise, will return to Long Beach in August.

SCHOOL and city officials are near agreement for bringing Gambetta street up to par for access and egress to new Vista Grande Primary school, located behind the house (above) off Thiers and Wyandotte street. Students enter the hillside plant via the other route, a steep incline, but meeting safety standards.

Other booths which will be

"glittering" at the festival include a doll booth, which has approximately 600 dolls, each complete with a gaily designed dress. Other booths are: cake and candy, parcel post, gold fish, grab bag, panda bears, ham and bacon and linens. Children's games will be played for special toys for the children. A money tree will entice young and old. The general merchandise booth will contain many useful items as well as luxuries for every room of the house.

Time schedule for the festival:

Thursday—May 1, 2 p.m. to 5 p.m., and 7 p.m. to 11 p.m.  
Friday—May 2, 7 p.m. to 11 p.m.

Sunday—May 4, 1 p.m. to midnight.

Proceeds from the Festival will go to the building fund of Our Lady Of Mercy Parish for construction of a second school. Approximately 600 children now await entrance to the school, which is operated by the Dominican Sisters. The school now has facilities to teach 400 children, and it is filled to capacity.

TOTS and oldsters alike will get a Wild Western "bang" out of "Gold Rush Days," four-day annual Westlake Festival to benefit Our Lady Of Mercy parish. Youngsters Greg Sarloti (hat) and Herb Glischinski get in the spirit of things as looking on with delight (left to right) are Edward Glischinski, chairman of awards; Mrs. Dario Baciocco and Mrs. Robert White, co-chairmen of the grab bag booth. The festival, staged in the parish hall, Elmwood Drive, opens this Thursday.

## JEWISH WELFARE GROUP LAUNCH '58 CAMPAIGN

The Jewish Welfare Federation of San Francisco, Marin county and the Peninsula last week launched its 1958 campaign on behalf of 34 local, national and overseas health and welfare programs.

At a campaign "kick-off" dinner in the Peacock Court of Hotel Mark Hopkins, a capacity audience heard Speaker Ira Hirschmann appeal for the support of American Jewry in helping 70,000 refugees to resettle in Israel and other countries.

Hirschmann, former American diplomatic representative and foreign news writer, has made numerous survey trips to Europe and the Middle East to observe political conditions affecting Jewish communities.

In 1958 Israel alone will receive approximately 60,000 refugees, most of whom are from Poland, North Africa and Egypt, according to Hirschmann.

John Blumlein, chairman of the Federation's campaign, presided at the dinner, which is the major event in an intensive drive to raise \$1,575,000 for the regular needs of the Federation's local, national and overseas beneficiaries, and \$1,500,000 for a Special United Jewish Appeal Rescue Fund to finance refugee transportation and resettlement.

3-DAY PRODUCTION

## Westmoor High Thespians To Stage Triple Thriller, 'Night Must Fall'

By Doris Lindfors

A murderer sits nearer to you than if you were in a courtroom. You feel a tingling sensation in your spine. He has murdered one person, you know that he will murder another, yet you feel safer than if you were in your livingroom. Why?

Members of the audience at Westmoor High School's production of "Night Must Fall" the 8th, 9th, and 16th of May

will have a triple thrill. This three-act play had a long run in both London and New York and has since chalked up successful productions in colleges, high schools and semi-professional groups. It is fast becoming a classic in the suspense play category.

Westmoor High's thespians promise an evening of sheer entertainment. This is their first play in the round where the audience will sit on three sides of the stage. All female parts have been double-cast with an informed faculty committee to decide who will play the roles for the third "honor" performance.

Male members of the cast are Richard Levendovsky as Dan, Dennis Hill as Belsize, the detective, and Avie Katz as the suitor of Olivia. Olivia is played by Sally Traeger and Diane Massucco. The old woman, Mrs. Bramson, who befriends Dan, is portrayed by Diane Imperatrice and Sylvia Gardner. A fine student cast rounds out the roster: Terry Robinson, Betty Latimer, Margi Hill, Gloria Lopez and Barbara Fisher. William L. Ardis directs.

Ticket prices the adults \$1, students 75 cents, student body card holders, 50 cents. Curtain time is 8 p.m., and the public is invited.

## Federation Sets Bay Area Study On Jewish Needs

The Jewish Welfare Federation will launch a comprehensive study of the recreational, cultural and group work needs of the Jewish population in San Francisco, Marin county and the Peninsula, it was announced this week by Frank H. Sloss, chairman, Social Planning Committee.

The study, which will begin in October, will be under the direction of a Group Work Study Committee, headed by Robert E. Sinton. Serving as consultant for the study will be Myron Blanchard, director, Department of Community Surveys and Studies of the National Jewish Welfare Board.

It will be financed by a grant of \$6200 from the San Francisco Foundation, together with Federation funds allocated from the United Community Fund grant.

In announcing the project, Sloss explained that the need for such a study resulted from significant changes in the Jewish population served by Jewish community centers in San Francisco, Marin County and the Peninsula.

Said Mr. Sloss, "During the past several years, there has been an increasing movement of Jewish population away from the vicinity of the San Francisco center. On the Peninsula, the growing population has spread over an area of 40 miles, with the result that the center is unable to give adequate service from one location. On the other hand, the Marin center is faced with the problem of trying to serve the needs of small and scattered pockets of population within its service area."

"The Federation's study will evaluate how effectively the centers are serving the Jewish population in their present locations," said Sloss, "and whether changes should be made in their programs in the light of Jewish community needs."

## Cancer Drive Would Stimulate High Schoolers

Help in getting educational material about cancer into Daly City's Jefferson Union High School district's curriculum is currently being sought by education directors of the San Mateo County branch of American Cancer Society.

Purpose is to stimulate interest of local youth, not only as a matter of personal health, but to promote careers in the fields of medicine and research in the field of cancer, today explained county education committee chairman Mrs. Lachlin McKinnon.

With her aides she made the special appeal at a recent meeting of the School Nurses of San Mateo county, representing virtually all elementary and high school districts, held at Hillsdale High in San Mateo.

Educational material, such as films and visual aids, is available to all schools as well as clubs and organizations at the Cancer Society office in San Mateo, reminded Mrs. G. S. Disque, Daly City and Westlake chairman for the current Cancer campaign fund drive.

"Through education we eliminate fear and stimulate action in fighting cancer both personally and in the fields of medicine and research," she pointed out. "Young minds whose curiosity and interest is directed toward the subject in high school today, give us our doctors, nurses, and research people of tomorrow—and furthermore, they carry their interest into their homes and help the Society's efforts more effectively."

Availability of such educational material is made possible by annual contributions to the Cancer fund drive now underway here and throughout the county. The goal is \$80,780 this year.

Cancer Dollars  
From DC Help  
Tumor Research

Daly City's contribution to the current Cancer campaign fund drive will go toward promoting the work of the Tumor Boards and Tumor Registries at Mills and Sequoia hospitals, which since their inception have helped a total of 2412 cancer patients from this area as well as the rest of the county, today reminded Mrs. G. S. Disque, Daly City town chairman for the drive.

The two hospitals are the only ones in the county which maintain the board and registry, which annually provide thousands of dollars in free medical help to cancer victims.

To make possible their functions, doctors from throughout the country donate their services. Hospitals make available their facilities. The county Cancer Society pays the salaries of full-time secretaries.

Anywhere from 10 to 20 specialists meet weekly to examine patients presented upon special request of the attending physician. Doctors probe, analyze, debate, confer. They draw on their store of knowledge and experience to determine if a tumor is malignant and how best to treat it. This represents assistance for a cancer patient which otherwise would be virtually impossible to obtain.

"Daly City's share in promoting this fine work is vitally needed," emphasized Mrs. Disque. "That's why the door-to-door canvass for funds is undertaken. We need everyone's assistance."

Primary Election  
'Decides' School  
For Palsied Kids

Dear Mr. Bradshaw:

El Portal PTA is working hard to build a new school for cerebral palsied and orthopedically handicapped children.

As you know, a \$690,000 bond issue providing for such a school will appear on the June 3 primary election ballot as Proposition A. As school bond issues go, this one is quite modest and its passage is urgently needed to care for El Portal's 60 youngsters, a third of whom are housed in rented Sunday school classrooms.

Although El Portal is in San Mateo, it draws pupils from all over the county. The new school would be built on a county-owned site west of Belmont. It would save the county about \$8000 annually in rent and add less than 1/2 cent to the county tax rate.

We know Marchbanks Publications is concerned with the education of San Mateo County's young people. We hope you will do your part to help our handicapped children become useful members of society, too. We urge your support of Proposition A in both your news and editorial columns.

Very truly,

CONGREGATION B'NAI ISRAEL SETS  
FIRST ANNIVERSARY CELEBRATION

The Jewish population in Daly City and surrounding communities are ready to celebrate the first anniversary of the recently revitalized conservative house of worship known as Congregation B'nai Israel.

Officers of the congregation plan to dedicate the month of May to this joyous occasion, with many local dignitaries taking part.

A year ago a handful of people congregated in the Synagogue at a public meeting, searching for ways and means of re-opening the sanctuary as a modern congregation—with Sunday School classes, Hebrew classes, and all other religious and social functions that make up a modern congregation.

Ten families raised their hands in approval and thus the new congregation was formed.

Congregation B'nai Israel has a very interesting history behind it. It was actually built some 50 years ago after the San Francisco earthquake compelled hundreds of Jewish families to look for shelter on the Peninsula. It actually was the first Jewish synagogue built in San Mateo County and has served the religious needs of hundreds of Jewish families for many decades.

Today, this new conservative congregation serves the religious and social needs of dozens of Jewish families from every part of the metropolitan San Francisco area.

It has: A Sunday School with five teachers in attendance, and weekday Hebrew classes.

A Junior Congregation for the young boys and girls who gather every Saturday morning to worship.

Antonio Gaudio,  
Candidate For  
Municipal Judge

Contender for judge of Northern Judicial District municipal court is South San Francisco's Antonio J. Gaudio, 46, a practicing attorney since 1934.

His competitors are Charles Becker, 42, of 5 Fieldcrest drive, and John Fahey Jr., 50, of 1540 Sweetwood drive—both of Daly City.

A Democrat, Gaudio operates a law office at 405 Grand avenue, SSF.

He reports, "The idea of running for office did not originate with me, but rather with many groups representing a cross-section of the district who are determined they want a man—a local man—to fill a local job."

He claims the fact he has practiced law for many years in the area, gives him the edge over the other candidates, "because I have been on the scene every day and this should make me best qualified to determine the judicial needs of the citizens of this area."

A decorated veteran of the European campaign during World War II, Gaudio is intensifying his long-active campaign against juvenile delinquency. For many years he has been a key leader in north county civic, religious and veterans' activities and projects.

## Reports Car Theft

Ruth Rogers, 1107 Nimitz drive, Saturday night notified police that her black '51 two-door sedan was stolen from its parking position at 91st street and Junipero Serra boulevard.

San Franciscan  
Acquires Hit-Run  
Citation Here

George A. Roth, a San Franciscan, was booked on a hit-run citation here early Monday morning after his sedan clobbered a '58 foreign car, parked near the Simca office on Mission street.

Officer Ralph Warren found Roth "asleep at the wheel" of his car at the San Jose-Liebig intersection. Roth had been drinking, Warren noted, in his report, but not enough to bring arrest on this charge.

The Simca was towed away with rear fender damage.

## Shopping with Sally

One outstanding advantage of our local shopping area is that regardless of what merchandise or service you need... you will find it available in this immediate area... all the way from equipment for sports cars... to barbecue braziers... to wedding cakes.

A Daly City firm that has earned an outstanding reputation for itself for delicious and artistic wedding cakes is RELISH BAKERY. When we stopped by the other day, a beautifully decorated cake had just been completed, while Karl Kettler told us that he was busy preparing p.s. for 11 more cakes to be ready the next day.

Speaking of sports cars, DALY CITY TIRE STORE carries tires for sports cars as well as other parts. Also they are well-equipped to service sports cars with such special mechanical equipment as a front-end aligning rack specifically designed to handle sports cars.

These warm spring evenings put us all in the mood for barbecuing. For a good selection of braziers go to PENNEY'S where they feature several different models, as well as smart comfortable garden furniture to lounge in while your steaks are sizzling.

Background music is always pleasant while you are relaxing in your garden. For a wide selection of recordings visit ZAHARIS TV, 6598 Mission street, and while there ask about their popular record club, which is a wonderful way to build up your music library.

We think you will adore the beautiful gowns just received by GRANT'S lingerie department. Two styles caught our eye... really high-style was a nautical chemise in a drip-dry cotton, while delightfully feminine were the baby dolls in lovely rose print. We know you will want several for yourself or gifts.

If you just happen to have some loose change burning a hole in your pocket, you may be interested in investing in stocks. Convenient to this area, REYNOLDS & COMPANY (one of the largest brokerage chains in the country) maintain a branch in Stonestown. This branch is the third in growth of the REYNOLDS chain throughout the whole country.

Also serving the community is N. GRAY & COMPANY with one of the west's most beautiful funeral chapels located on the east side of Junipero Serra at 4000 19th avenue.

Truly in the spirit of the season are the busy salesmen at SEARS in Westlake. Gaily decked out in Giant baseball caps and white jerseys with big red letters which, as the men stand side by side, spell... no, not Giants... but S E A R S!

If you noticed a happy healthy look on the faces of the sales clerks in SPOTLIGHT MARKET last week, it was all due to the delicious salads and meats featured by demonstrators in the store. Particularly appetizing was the new "Mama Weiss" roquefort dressing and horseradish sauce on the salad.

Speaking of delicious, for any unusual dessert try using liqueur over ice cream. This week WESTLAKE LIQUORS is featuring Vin D'apricot which will really give a gourmet touch to company meals.

If you suddenly find yourself with an important date and your hair in need of a set, but no appointment... don't worry... ALTHEA will take care of you without an appointment. Drop in at either of her two beauty salons (171 Southgate or 371 South Mayfair) where 14 top hair stylists are available for all your beauty needs.

DECORATIONS for the giant Widows & Orphans Ball, annual fund-raiser sponsored by Daly City Fire Department, are

taking shape with the hose-haulers doing most of the labor. The worthwhile shindig is scheduled for Saturday eve-

ning, May 17, at Colombo Hall. Proud of their progress (above) are (from left): Paul Hopkins, Bttn. Chief Wayne

Alexander, John Jacobs, Richard Verducci, John Castagnola and Charles Christian. For ticket info, call PL 6-0496. THE RECORD photo

### SNELL PTA MEETING

## Ciampi Says 'Creative Environment' Important In Designing Our Schools

By Mrs. R. C. Rosendahl

"Why aren't all schools built the same?" "Why don't we build two story school buildings?" "Why is the window space so limited?"—and on and on went the questions concerning school design and construction at the James L. Snell PTA meeting held Tuesday night last week at Benjamin Franklin school.

Mario Ciampi, architect since 1949 for Jefferson Elementary School district, answered all of these questions and many more, explaining his views on the importance of a creative environment for the students. "The schools represent the ideas and ideals of the community," he said, "and must fit the educational needs of today." H. Z. Weibel, superintendent of JESD, acted as moderator and answered questions on district policy.

Mrs. Walter Erickson, program chairman, conducted the installation of officers in a very clever monologue using a "thou wilt" Puritan strain of speech. President Mrs. Fred Smith pinned beautiful corsages on the following officers: Mrs. Kenneth Gillespie, president; Mrs. Rocky Hagerman, vice president; Mrs. Phillip Glebow, corresponding secre-

tary; Mrs. Larry Anderson, recording secretary; Mrs. Kenneth Brugge, historian; Mrs. Warren Vocke, financial secretary; Mrs. Leroy Larson, treasurer; Miss Aileen Suber, honorary vice president and principal of Garden Village school; and a white carnation boutonniere was pinned on John Belforte, parliamentarian.

Mrs. Rocky Hagerman announced the "Magic Show" that is to be performed on Saturday, May 3, at Benjamin Franklin multi-use room. There will be two performances, beginning at 1 p.m. and 2:15 p.m., with admission price of 25 cents.

Carroll Lindsay, teacher of the ungraded class, displayed woven rugs made by members of his class and told of their daily achievements and interesting activities.

Honored guests of the evening were Mrs. Katherine Mullen and Mrs. Doris Wimberly, trustees of Jefferson Elementary school board; Mrs. Roy Milam, president of Benjamin Franklin PTA, and Mrs. Robert St. Clair, president of Vista Mar PTA.

## New Elk Lodge Sets Meeting For Westlake

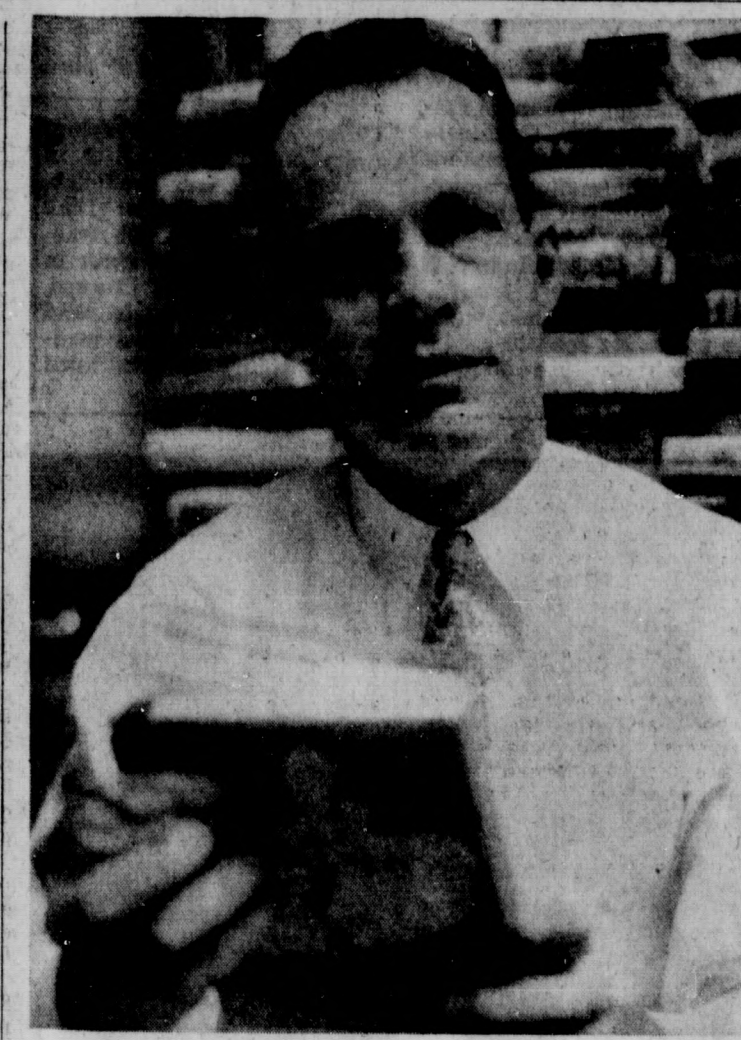

North San Mateo county's newest Elk Lodge will hold a meeting this Thursday evening at Westlake Fieldhouse, 8 o'clock, organization chairman Alex Welte announced.

The new lodge, which will embrace Daly City, Colma, Pacifica, Brisbane, South San Francisco and San Bruno, is seeking to form on June 1. Prospective members will be interviewed at this meeting.

Welte, fire chief of South San Francisco, heads up the committee which is forming the new lodge. It will be known as South San Francisco Lodge and is setting its membership goal at 500 north county men.

All prospective members accepted by the June 1 deadline, according to Welte, will be charter members of the Lodge. "We would like to meet all men of the Daly City-Westlake area Thursday night at the Westlake Fieldhouse," Welte stated. "Any one interested in joining the Elks is certainly welcomed."

General meetings of the organization are held each Tuesday evening at American Legion Hall in South San Francisco. They are open to all north county men.

FEATURED SPEAKER at the May 22 meeting of "Friends of the Library" will be Luther Nichols, noted book reviewer

of the San Francisco Examiner. The meeting will be held in the Little Theater of Westmoor High School.

## Luther Nichols Will Address 'Library Friends'

Members of the board of Friends of the Library met recently at the home of Mrs. Howard Stites, and together with City Librarian Samuel Chandler discussed plans for the next general meeting to be held in the Little Theater of Westmoor High School, May 22.

President Mrs. U. R. Kendree read a letter from Luther Nichols, book editor of the San Francisco Examiner, in which he expressed his pleasure at having been invited as guest speaker. Since Nichols did not indicate the subject matter of his talk, Mrs. Kendree requested publicity director Leonore Brewer to clarify this point with the eminent critic.

Lauren Cheda made several constructive suggestions on how to publicize this coming meeting, which will be open to all, and Mrs. Otis Calhoun said that her reception committee was already set up to handle refreshments the night of the general meeting.

## Installation Set By 'Daytimers'

California Daytimers, B'nai B'rith Women Number 715, announce their installation luncheon for noon Thursday, May 7, at Montclair restaurant, 550 Green street. Scheduled on the program are installing officers, Mrs. Sol Merritt, and mistress of ceremonies, Mrs. Charles Wine, past president of California Daytimers.

Officers-elect to be installed are Mrs. William Cohen, president; Mrs. Herb Plotnick, first vice president; Mrs. Maurice Rosenberg, second vice president; Mrs. Nathan Glaubinger, third vice president; Mrs. Abe Ight, counselor; Mrs. Louis Anderson, guardian; Mrs. Louis Plansky, financial secretary; Mrs. Sidney Silverman, recording secretary; Mrs. Adolph Silbermann, corresponding secretary; Mrs. Jacob Bisnow, treasurer.

For reservations, call Mrs. Abe Ight, PL 5-7790, or Mrs. William Cohen, LO 4-5390.

Speeding was blamed for 13-200 deaths on U.S. highways in 1957.

RECESSION—FIGHTING MASCOT—North County Democrats haul out their party's symbol in preparation for their "Bohemian Night" this Saturday, 9 p.m., at The

Chukker in San Mateo. The \$1 admission price is being "billed" as an anti-recession measure. Left to right: Janice Fulford of Pacifica, Marilyn Pennebaker of South San Fran-

cisco, and Dan Tarana and Councilman Clay Fisher of San Bruno. The sponsoring United Democratic Fund has advanced the "fun give-away" as "reverse psychology" in fund-raising.

# Ryan's 2-Hitter Over Rams Booms Jeff Hopes

13-0 Clobbering

## Tribe Cools Westmoor; Hillsdale Here Friday

By Roy Hurlbert

Gary Ryan kept Jeff High in the Peninsula pennant chase here Tuesday by blanking error-plagued Westmoor on two hits for a rousing 13-0 victory.

The win gave Coach Steve Mezzer's Tribe a 4-2 mark, two games behind Capuchino (6-0) and one back of Hillsdale (5-1). This Friday the Indians host Hillsdale with second place on the line.

by catcher Tom McHugh, made the contest a rout. Dave Simmons and Bob Goodwin toiled for Westmoor.

Catcher Jerry Kennedy's two singles and a triple by Gene Firth were big blasts for Jeff in a nine-hit total.

Mezzer worked Bob Strassburger and Wayne Lewis at short, returning sparkplug Ino Patron, another all-leaguer, to second base.

Paul Tapia, Jeff's trump card for the title, will hurl against Hillsdale. Paul is 3-2 on the year, both defeats to Cap. Larry Weber of the Mustangs beat him last Friday, 8-1.

Lefty Jim Wilson, a good southpaw, quit the squad last week. That made two departures this campaign. Infielder Bob Berry had left earlier, presumably for disagreeing with the coach.

First sacker Roy Reitz will go to the hill next week in a practice game, opponent unknown at deadline.

A week from this Friday the Indians travel to meet lowly San Mateo.

## Ten Jeff Swimmers In League Finals

Ten Jeff High swimmers Friday will be after Peninsula League individual championships in season-ending competition at Capuchino High pool.

Rich Curry, standout for Coach Joe McGrath's Indian B squad, scored a first for the Daly City mermen last week in the trials. He sped to a 34.5 seconds win in the 50-yard backstroke.

Other Indians qualifying: Varsity John Elliott, fifth in 100 freestyle; Larry Bradburn, sixth in 200 freestyle; Dick Erickson, fourth in 400 freestyle; Chris Michalis, sixth in 100 backstroke; Fred Howard, fifth in 400 freestyle and fourth in 150 individual medley, and Henry Abbott, third in 100 breaststroke.

B's—Jim Ahern, second in 50 butterfly and third in individual medley; Gary Cinti, fifth in 50 freestyle, and Bob Johansen, fourth in 50 butterfly.

Leading varsity standings are Capuchino and San Mateo. Burlingame is the class of the middle division.

COP SECOND PLACE

## Indian Two-Milers Blaze At Martinez

Jeff High's two-mile varsity relay team Saturday missed first place in the Martinez Relays by six inches as Bellarmine of San Jose nipped the Indians in a clocking of 8:18.2.

The Jeff unit, which set a school record in taking second, consisted of Pete Garcia, Felix Valdez, Charles Rivera and anchor man Don Snider.

Coach Bob Watt's 880-yard relay unit won its trial in 1:32.5, but the time failed to qualify for the finals. His 440 squad (Sonny Martinez, Doug Burch, Pat Abbott and Len Lamendola) failed to qualify.

High jumper Dennis Marc, with 6-4 his best, and "capable of 6-6" (his coach says), tied for third in individual competition, hitting 6 feet. Couple of times Marc was well on his way to clearing 6-2 "with ease," but he struck the cross bar.

Jeff's high jump relay team (Marc, John Westrum, Penfield Jensen and Mike Brush) finished seventh in cumulative scoring.

Berkeley won varsity competition, Encinal of Alameda the B's.

This Friday Jeff hosts South City in Peninsula League action. North Coast trials and finals are next Tuesday and Friday at Burlingame. A week later, the Indians finish against Burlingame.

## 'JUNIOR OLYMPICS'

Broadmoor Cub Pack 84 this Sunday afternoon will stage its annual "Junior Olympics" on the Jefferson High track and field. Competition begins at 1 p.m., according to Ames Swartsfager.

## VFW Spanks Smith 5 To Keep League Lead

VFW maintained first place in the Adult Basketball League here last week by dumping first-division L. C. Smith, 82-64, with Max Anderson's 20 points and 17 by Bob Stout leading the attack.

Hunter's Point moved up in

Tuesday's second game, clobbering Green Lantern's five, 71-46 George Campbell, 19, and Mal McCormick, 16, were the siege guns. Tom Rubsic and Ken Stang of the losers each had 13.

Fletcher Sims tallied 27 points to lead SF Post Office to a 76-55 verdict over Automotive Twins on Thursday night. Tom Overton, his teammate, posted 23. For the cellar-dwellers, Jack Dederman hit 21 and Fred Joy tanked 15.

A&D Tavern suffered a forfeit loss to St. Francis Creamery in the Thursday nightcap.

In the homestretch, the Daly City league is considered the best in Northern California.

## Redmonds Hurl Hillsdale Past Westmoor, 7-4

Skip and Ricky Redmond, Hillsdale's pitching brothers, held Westmoor to four hits Friday down south as the Daly City nine lost a 7-4 Peninsula League decision—their fourth in five contests.

Sore-arm Ray West, wild in a four-run second inning, got the loss. He was relieved by Bob Goodwin in the third frame.

First sacker Bill Dougherty got two of the Rams' hits, both singles. Catcher Tom McHugh, leading the loop at the plate, crashed a 345-foot double off the rightfield wall—a long blow for a righthander batter. Sid Swanson's bases-loaded single drove in two Ram runs.

Four Westmoor errors (three infield) were costly.

## Cop League Boxers Book Bruno Bouts

Police Athletic League boxing kids of Daly City today eyed their second foe of the campaign, San Bruno Boys Club, in a team match scheduled for May 9 down south.

President John Coleman said mitt-slingers of both teams worked out together on April 30 in San Bruno to determine pairings for the May exhibition.

First outing for the DC ringsters, against Vallejo Boys Club, resulted in a convincing win for the Coleman corps.

In other PAL activity, Coleman reports 108 horsehide hopefuls turned out for the midget baseball tryouts at Jeff High Saturday. Two teams for the city league, starting next week, are planned by the police.

The diamond candidates are working out on the afternoons of Monday, Wednesday and Friday at Colma's Trojan

Field, and Tuesdays and Thursdays at Marchbanks. Kids 9 to 12 are eligible.

Coleman has received 16 uniforms from Tom Bournellis of DC Drugs. But he still needs enough for another team. Joe Sarto, owner of Villa Sanitarium and always-for-sports, donated to PAL a complete set of catching equipment.
